

DONATION APPLICATION KIT

Northfield Savings Bank pays a community dividend instead of paying a stock dividend, as stockholder-owned banks do. We donate 10% of profits to Vermont community organizations. Simply by banking with NSB, you help make Vermont a better place to live and work. Thank you to our customers for helping make this community dividend possible.

Community Giving Overview

Northfield Savings Bank donates over \$300,000 per year to Vermont community organizations. One half of this amount is distributed through the NSB Foundation. The other half is distributed via branch donations, Community Gifts, and an Employee Matching program. NSB also makes in-kind donations of computer and technology equipment, and supports specific scholarship and community events.

Financial Donations

NSB donates to non-profit community organizations in many ways:

- **Branch donations:** These tend to be in the \$25 to \$250 range, and are specific to a particular branch's community. Request these from your local Community Banking Officer.
- **Community Gift donations:** These tend to be in the \$500 to \$1500 range, with a handful ranging up to \$2,000. These are distributed via a quarterly review process by the Marketing Department. Community Gift donations are intended to benefit the broader community NSB serves – Central Vermont and Chittenden County. Before you apply, please review our Community Gift Guidelines and Quarterly Review Calendar on the following page.
- **Employee Matching program:** NSB supports employees in their community service efforts by offering a 100% matching donation of up to \$1,000 per employee, per year to eligible non-profit organizations.
- **NSB Foundation grants:** Following an in-depth study of other philanthropic models around the country, and in an effort to create long-term results, the NSB Foundation utilizes a multi-year, single-issue funding focus. The NSB Foundation is not able to consider any other requests. For more information visit [www.nsbvt.com, Learn/Community Support/ReSOURCE](http://www.nsbvt.com/Learn/Community%20Support/ReSOURCE).

Guidelines and Review Calendar

As a community financial institution, Northfield Savings Bank has a responsibility to support organizations and activities contributing to the economic and social well being of the Vermont communities it serves.

NSB's Charitable Giving Policy is designed as a guide for the selection of recipients, and to establish the breadth and scope of contributions. It also provides a framework assuring the fair and objective evaluation of funding candidates.

Northfield Savings Bank will:

1. Contribute to charitable or non-profit organizations with a 501(c)3 designation, not to individuals.
2. Contribute to Vermont-based non-profit organizations serving the needs of and benefiting people living within its service area of Central Vermont and Chittenden County.
3. Give priority to programs meeting the human service and housing needs of low to moderate income individuals, and programs supporting job development.
4. Consider the severity of need, the level of funding available from other sources and the likelihood the requested donation will help accomplish desired outcomes.

Generally, organizations and activities meeting the established criteria will fall into the following categories:

1. Health and human services
2. Education
3. Job development
4. Housing
5. Programs for at-risk youth or low to moderate income individuals and families
6. Performing arts and cultural activities
7. Environmental and preservation

NSB generally will not contribute to:

1. Multi year capital facility or endowment campaigns
2. National charities
3. Municipalities or subdivisions thereof, such as school districts and recreation departments
4. Private schools (pre-school, primary and secondary)
5. Special interest groups such as political, labor, religious, fraternal, or veterans lobbying organizations
6. Multiple requests within the same calendar year

An annual budget approved by NSB's Board of Trustees establishes the maximum level of charitable contributions for the ensuing year. Community Banking Officers are authorized to approve increments of \$250 or less. The Marketing Department is authorized to approve requests up to \$2,000.

Northfield Savings Bank will accept written requests only. Complete applications will be reviewed on a quarterly basis. You will be notified in writing of your approval or denial according to the schedule below.
