Vermont's Independent Community Bank Since 1867

Northfield Savings Bank was founded in 1867 by a local university president who believed a mutual bank, owned by its depositors, would benefit the community. Over 148 years later, NSB continues this tradition. We are one of the nation's few remaining mutual, depositor-owned organizations, and one of the largest banks headquartered right here in Vermont.

With 13 convenient locations throughout central and northwestern Vermont, we are a full service bank providing a comprehensive range of products to more than 27,000 personal and business customers.
